

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Awarding Contract for Stockton Street Reconstruction, Tokay Street to Lodi Avenue, to Dell Engineering, of Stockton (\$792,600); and Appropriate Funds for the Project

MEETING DATE: June 6, 2001

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt a resolution awarding the contract for the above project to Dell Engineering, of Stockton, in the amount of \$792,591 and appropriate funds in accordance with the recommendation shown below.

BACKGROUND INFORMATION: This project consists of reconstructing Stockton Street from Tokay Street to Lodi Avenue. The reconstruction includes removing and replacing asphalt concrete payment; repairing damaged curb, gutter, and sidewalks; installing new street lights; installing new water mains; replacing old wastewater pipes; upgrading storm drain facilities; and other miscellaneous and related work, all as shown on the plans and specifications for "Stockton Street Reconstruction, Tokay Street to Lodi Avenue." The plans are on file in the Public Works Department.

Plans and specifications for this project were approved on April 4, 2001. The City received the following two bids for this project:

Bidder	Location	Bid
Engineer's Estimate		\$650,000
Dell Engineering	Stockton	\$792,591
Granite Construction	Stockton	\$946,273

In light of Council priorities to construct this project this year, we are recommending award of the contract to Dell Engineering. The difference between the low bid and engineer's estimate is attributed to the high level of construction work in our area, increased costs for materials and the short project. Staff feels the bids are reasonable and competitive.
